### REMARKS

In response to the Restriction Requirement in the Office Action of December 9, 2005, **Applicants hereby elect the claims of Invention I (Claims 1-16 and 41-42).** Applicants have withdrawn the claims drawn to Invention II (Claims 17-33) and Invention III (Claims 34-40). This withdrawal is being done without prejudice to the filing of a divisional application for these claims.

In response to the Election Requirement in the Office Action of December 9, 2005, **Applicants hereby elect Species I as shown in FIG. 5 for prosecution on the merits.** Pending Claims that are readable on elected Species I include Claims 1-7, 9 and 41-42. Applicant notes that at least Claims 1-6 and 41-42 comprise generic claims to the four identified species.

Applicants have also made minor amendments to several dependent claims, and have corrected several typographical errors in the reference numbers included in the specification.

Favorable examination and allowance of Claims 1-16 and 41-42 is respectfully requested. If the Examiner deems that this response is not completely responsive to the restriction requirement, the undersigned respectfully asks the Examiner to contact the undersigned at the telephone number listed below, so as to resolve any issues that are not apparent to the undersigned.

Respectfully submitted,
